Subject: DO NOT CONCUR - NSPS OOOOa rulemaking
Attachments: Memo for Bob Kaplan on OOOOa tiering and reconsideration process.docx

Bob,

OAD has asked for Regional workgroup members on this rulemaking to concur by COB today on re-tiering the NSPS OOOOa (Oil and Gas) reconsideration to a Tier 3 from a Tier 1. This would effectively remove the Regions and other workgroup members from the decision-making process.

Therefore, if it comes up today, please DO NOT CONCUR with this down-tiering. All the other Regional and OECA workgroup members are in agreement that this should not be down-tiered.

See the attached briefing memo for background and of course let me know if you have follow-up questions.

Thanks,

Natalie
